Payment is required per loaner unit on all paid services. No fees for warranty repairs. Loaner unit should be returned within 5 working days from receipt of serviced instrument or 10 days from notification of services complete on serviced instrument. The loaner unit must remain at the address provided unless other arrangements have been made in writing. Sending the instrument elsewhere may result in charges being collected for the retail price of the instrument. After a 5-day grace period from receipt of the instrument, rental fees will be assessed and invoiced monthly until the loaner unit is received at METER Group, Inc. USA. This loaner agreement covers the use of the loaner unit for the duration of the initial service (RMA) requested. If the loaner is to be kept for additional instrument services (new RMAs), a loaner extension must be requested in writing and payment for the extension received within the 5-day grace period or rental charges will apply. Total invoiced amount shall not exceed the retail price of the instrument. Initial instrument shipment will be paid for by METER Group Inc. USA and the instrument return shipment will be the Client's responsibility. If the equipment is lost or damaged beyond normal wear and tear, METER Group, Inc. USA retains the right to require payment for repairs or replacement. Repairs shall be invoiced at normal service rates.
