Re: Sole Source Certificate for UMS KSat

To Whom It May Concern:

This is to certify that Decagon Devices, Inc., a company based in Pullman, WA, is the sole authorized US distributor of the UMS KSat.

The KSat and its accessories are manufactured in Germany by UMS GmbH and sold to the end user in the domestic U.S. through Decagon Devices, Inc. Any comments or questions regarding this can be brought to my attention.

UMS Contact information:
UMS GmbH
Gmunder Str. 37
