

Document Title: Slick, Thermal Testing Services		Part # and Rev. 18108	
		Release Date:	
Rev.	Description	Revision By	Date
Date -- Time	Added description from other similar slick	Allison	6/8/16

Production Filename:

http://publications.decagon.com/Marketing/Description%20Files/18108_Slick_Thermal_Testing_Services.pdf

Paper: Pegasus Cardstock

Size: 8.5 inches wide, 11 inches tall

Sides: double sided

Colors: 4:4

DECAGON DEVICES / THERMAL TESTING SERVICES

Soil • Grout • Fluidized Thermal Backfill • General Fill Materials • Concrete • Rock

50+ years THERMAL EXPERIENCE

ASTM D5334 & IEEE 442 COMPLIANT

COST COMPETITIVE

REPORTS INCLUDE ACTUAL DATA
No Proprietary Methods

THERMAL CONDUCTIVITY

THERMAL RESISTIVITY (RHO)

THERMAL DRYOUT CURVES

- Fast**
Standard 2 week turnaround; expediting possible.
- Reliable**
More than fifty years thermal testing experience.
- Transparent**
Report shows test methods and data — no proprietary procedures.
- Cost Effective**
Solid test results at very competitive prices.
- Custom Testing Available**
- Thermal Diffusivity, Volumetric Specific Heat Measurements Also Available**
